Messages from: ...

... The Mayor of Tweed Shire

The Murwillumbah Festival of Performing Arts speaks to the very soul of what we want our community to be recognised for – creativity, artistic talent and inclusivity.

The Festival fosters and nurtures talent and provides an arena for performing at a level that has grown and grown over its proud history and it is my great pleasure to welcome performers, their families and teachers back again this year.

If you are a teacher or a supporter of a performer, thank you for your dedication that has created this opportunity. If you are a performer, thank you for putting yourself onto the stage, thank you for sharing your talent with us and know that whether or not you receive a placing, you have won, just by performing and the experience it has given you.

May everyone achieve their best on the day.

Warm regards,

Cr Chris Cherry
Mayor of Tweed Shire

... The President

Welcome to 2026 Murwillumbah Festival of Performing Arts. As an eisteddfod which continues to enjoy stability and growth, across all three genres, we are thankful for all the teachers, competitors and their families, who continue to take part each year.

In 2026, I would like to pay tribute to our committee of volunteers.

There are many performing arts competitions that are run as a business with paid employees. The Murwillumbah Festival of Performing Arts is entirely volunteer run with planning all year round. Altogether, including the 3 weeks of the festival itself, over 700 volunteer hours a year go into providing an opportunity for young people to perform on a professional stage and receive constructive feedback from industry professionals.

As a committee, we are also grateful for the willing band of people who help us during this time, selling tickets, announcing sections, manning the door and keeping nervous competitors calm backstage. The generosity and enthusiasm that all these wonderful people exhibit, makes the Murwillumbah Festival of Performing Arts a special part of the Murwillumbah and Tweed Shire creative arts landscape.

As always, thank you to our sponsors for recognising the importance of the performing arts. Music, Drama and Dance act as a “total brain workout”, improving memory and emotional pathways, worthy pursuits indeed. We can’t wait to be entertained by you all.

Warm regards,

Simone Wong
President
